Dear John:

I just want to take a moment to personally thank you for the time and effort that you've given during this election cycle. Certainly you went beyond the call of duty in the 34<sup>th</sup> Senatorial District and for that I am most appreciative. Although the results were certainly disappointing, it was not because of lack of effort.

I believe that the relationship the Senate has with you and your organization is a model for other states to follow. We do not always agree but, we do have frank discussions of our mutual areas of concern that often lead to positive results for the working men and women in New York state.

Thank you again and I want you to know your extra efforts did not go unnoticed.

Sincerely,

Joseph L. Bruno  
Senate Majority Leader
