DENNIS W. QUIRK, PRESIDENT**

**NEW YORK STATE SUPREME COURT OFFICERS ASSOCIATION  
JOHN P. McKILLOP, PRESIDENT**

**The New York State Court Officers Association and the New York State Supreme Court Officers Association** are proud to announce the formation of a new athletic program. The Program is being formed with an on eye competing in the 2009 World Police & Fire Games to be held in British Columbia, Canada and the 2011 Games to be held right here in NYC.

The Program is being formed with the idea of continuing to create a positive public identity by increasing public exposure and recognition. Competing locally and abroad in regional, national and international sporting events should also enable us to generate positive reinforcement in the law enforcement and public safety communities. These factors should also serve to cultivate the growing camaraderie within our Court Officer workforce.

The NYSSCOA and NYSCOA are engaging in another cooperative venture to help give Court Officers opportunities to achieve these mutual goals and objectives and to encourage other NYS Court Officer organizations to contribute resources and participants to further enhance these opportunities.

### **About the World Police & Fire Games**

The World Police and Fire Games, established in 1985, are a biennial athletic event open to active and retired law enforcement and fire service personnel throughout the world. The Games offer approximately sixty sports (and almost 80 disciplines) of both the individual and team variety, and participants can compete in a variety of age groups. Participation is approximately 10,000 entrants, slightly fewer than the Summer Olympic Games, and exceeding the third position holder, the Commonwealth Games.
