Dear Court Officers of Putnam County,

Thank you for purchasing a flag in Putnam County's Row of Honor. Your gracious act not only paid tribute to someone close to you but provided a welcome donation to our local Veteran's organizations. Our veterans proudly served our Country and we in Putnam County are equally honored to show our gratitude through the Row of Honor. The shores of Lake Gleneida have never looked better than when our American Flags grace the shoreline. What a fitting tribute to our friends and family as well as our dedicated veterans.

During the Row of Honor display, your flag will be displayed at location: 2.  
 The map included with this letter will help you locate your flag.

Sincerely,

MaryEllen Odell  
 County Executive
