Dear Members,

I am thrilled to announce that Chief Administrative Judge Lawrence K. Marks signed the Administrative Order today authorizing the line increase for all Court Officers and Court Officer Sergeants statewide effective June 1, 2016. It is with tremendous pride that I report that this line increase will be implemented as a reallocation and NOT a reclassification. The efforts we made in making certain that this initiative be done properly were critical in its finalization. Bringing vital information to this administration's attention made it perfectly clear that a reclassification would have been terribly harmful to our members. I can assure you that protecting our members' well being, what they have earned and what they deserve is how this Union will continue to do business. I thank you for your patience, support and understanding through this process. It was a difficult hill to climb, but we did it together, as one.

Fraternally,

Patrick Cullen
President
